Executive Chairman's Report

I am pleased to present the Fiji National Sports Commission Annual Reports for the financial year, 2018 - 2019.

Fijians and Fiji have an international reputation as a sporting nation. While we endorse and support our elite athletes and sportsmen and women, we also strongly believe that sport and physical activities should be available to all, regardless of age, gender or ability.

Our programs are designed to help foster positive interactions between communities and facilitate inclusiveness, social mixing and the development of positive values and of life skills for all. I am pleased to report that the FNCS Inclusive Program touched the lives of 2,895 participants during the 2018-2019 financial year.

With the strongest foundations for good habits laid while we are young, the expansion of our Kids in Community Sports and Educate the Educator Program are part of our approach to addressing the alarming rise issue of Non-Communicable Diseases (NCDs) in our communities, as too is the Wellness Program that targets older age group

The Sports Development program continues to increase, achieving our expected targets for the National Development Plan, improving our reach and expected outcomes. I am also pleased to report that the program to identify young talent is also having an impact in helping those identified to navigate pathways to further develop their skills.

The focus on Train the Trainer programs saw the

establishment of 13 Sporting Community Structures, placing the responsibility for defining sports sustainability within the communities themselves. This was aligned to the tikina structures and provincial social arrangements, while the concept was redefined in the urban areas under Urban Networks, and organized into community network clusters.

New Directions

I am also pleased to report that the Commission has formulated the Strategic Plan for Fiji National Sports Commission 2019 - 2024, following the comprehensive survey, between March and June 2019, of Fiji National Sports Commission staff and National Sports Organizations and members, the Ministry of Youth and Sports and various relevant stakeholders. The focus was primarily on data collection and its correlation, to identify the areas that would require development for the implementation in the New, in alignment with the Ministry of Youth & Sports and Fiji National Development Plan.

This is the second such plan in the Commission's history. With the establishment of the Fiji National Sports Commission in 2013, our first strategic plan for 2013 to 2018 was created and implemented in October 2013, using selected functions of the National Sports Commission Act of 2013 as the basis, and ended in December 2018.

The Fiji National Sports Commission's strategic focus is to reconstruct and revitalize the delivery of sport and recreation, in support of building an active nation that equitably improves and enriches the lives of all Fijians. The Commission's strategic goals seek to assist in realizing sports' transformative role in the sports economy, in social development, sports as a right, in fostering peace and development, and sport and the environment, and have an outcome-based approach to governance and our proactive role in sports development.

Annual Conference

To reiterate the prominence the Commission gives to good governance in sports, our Annual Conference, held in March of 2019, was themed Business of Sports, with four thematic areas: Administration, funding and sponsorship; Sports Pathways, inclusivity and development; Law of the game, and Sports facilities and policies. With 123 registered participants and 22 speakers, the conference format change from workshop style to panel discussion on the thematic areas, with was fruitful, generating more dialogue and feedback from the participants on reviewing how sports organizations should be run.

In April 2019, the Fiji National Sports Commission, along with the Ministry of Youth & Sports, attended the Council of Europe Convention, Keep Crime Out of Sport Plus KCOOS+ 2018-2020 Regional Conference, held at the Tanoa International Hotel in Nadi. The conference focused on the practice of manipulating sports competitions and would begin the ratification by the Council of Europe of the Fiji Integrity Sports Unit, to promote and safeguard sports in Fiji.

Sports Highlights

The Commission is pleased to report positive results from the South Pacific Games, held in Apia, Western Samoa, in April of 2019. Banuve Tabacaukoro claimed the title of the fastest man in the South Pacific in the 200 meters and Fiji Swimming amassed an impressive medal collection, winning 25 medals for Fiji at the Games.

Fiji Weightlifting hosted the 2019 International Weightlifting Federation Junior World Championships at the FMF Gymnasium in June, while Football held the OFC Senior World Cup Qualifiers here in Fiji.

Acknowledgements

These sporting achievements and the success of our programs would not be possible without the support and guidance the Commission receives. In this regard, I would like to acknowledge my Board of Directors, whose expertise and experience in the business and sporting arena contributes to the depth of the ongoing, invaluable support that they provide.

I also wish to thank the Minister of Youth & Sports, our line Ministry, as well as to the Ministry of Finance for funding assistance, which serves to emphasise Government's commitment to the development of sports at all levels, and the health and wellness of all Fijian citizens. It is because of this support that the Commission is able to deliver appropriate programs to all age groups and in our drive to realize the Commission's Strategic Goals.

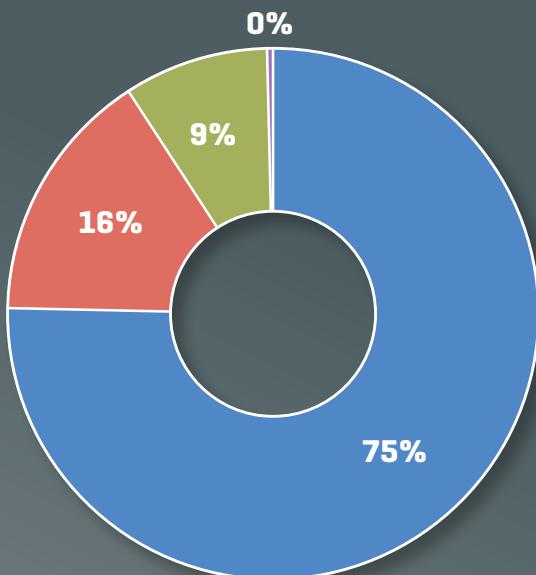

And last, but far from least, I wish to thank all FNSC staff, for your passion, commitment and drive to see our programs impacting the lives of Fijians, urban and rural, young and old, and from all walks of life.

Sports Development Urban Youth Division Program

Partnerships Program

Our Urban Youth Sport Development Partnerships Program has been successful in using sports to raise awareness and assist in the development of young people.

In response to the national concern, which is our battle to reduce NCDs throughout Fiji, FNSC partnered with Diabetes Fiji to use sports as a platform to educate, collect data and create awareness at the Diabetes Awareness Event, for youth and all Fijians.

2,500 young Fijians participated in the event, with 30 medical personnel in attendance, supported by volunteers.

The event was sponsored by Vodafone Fiji Ltd; LDS Charity; Ministry of Health and Medical Services and FNSC, with medical staff and volunteers from: Mental Health - Empower Pacific; Eye care - Pacific Eye Institute; Dental - Colgate Fiji; Disability - Rehabilitation; Foot care and Medical -Diabetes Hub Centre, Fiji School of Nursing, Fiji National University, and Diabetes Education - Diabetes Fiji Inc .

INDEPENDENT AUDITOR'S REPORT FIJI NATIONAL SPORTS COMMISSION

Opinion

I have audited the financial statements of Fiji National Sports Commission, which comprise the statement of financial position as at 31 July 2019, the statement of income and expenditure, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of Fiji National Sports Commission as at 31 July 2019, and of its financial performance and its cash for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities ("IFRSs for SMEs").

Basis for Opinion

I conducted my audit in accordance with International Standards on Auditing (ISA). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Commission in accordance with the International Ethics Standards Board for Accountant's Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to my audit of the financial statements in Fiji and I have fulfilled other ethical responsibilities in accordance with these requirements and the IESBA Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Without qualifying the Opinion, attention is drawn to Note 20 of the financial statements which discloses the novel coronavirus (COVID-19) global pandemic impact subsequent to 31 July 2019. No adjustments have been made to the financial statements as at 31 July 2019 for the financial implication if any that may be arising in future.

Responsibilities of the Management and Members of the Commission for the Financial Statements

The management is responsible for the preparation and fair presentation of these financial statements in accordance with IFRS for SMEs, the requirements of Fiji National Sports Commission Act 2013 and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Commission's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management intend to cease operations, or have no realistic alternative but to do so.

The members of the Commission are responsible for overseeing the Commission's financial reporting process.

Independent Auditor's Report *(Cont'd)*

For the Financial Year Ended 31 July 2019

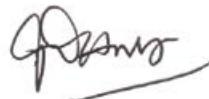

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with ISA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commission's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's and directors' use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Commission to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management and members of the Commission regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Notes to and Forming Part of the Financial Statements

For the Financial Year Ended 31 July 2019

1. GENERAL INFORMATION

Fiji National Sports Commission (“the Commission”) is a body corporate incorporated under Fiji National Sports Commission Act No.5 of 2013 and domiciled in Fiji. The address of the Commission’s registered office is 220 Laucala Bay Road, Suva, Fiji Islands. The Commission is primarily involved in the promotion and development of sports in Fiji.

The financial statements were authorised for issue with a resolution of the members of the Commission on _____ 2019.

The significant accounting policies which have been adopted in the preparation of these financial statements are:

2. BASIS OF PREPARATION

(a) Statement of compliance

The financial statements of the Commission has been prepared in accordance with International Financial Reporting Standards for Small and Medium-sized Entities ('IFRS for SMEs').

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis and do not take into account of changing money values or except, where stated, current valuations of non-current assets.

(c) Functional and presentation currency

These financial statements are presented in Fijian currency, which is the Commission’s functional currency. All financial information presented in Fijian currency has been rounded to the nearest dollar.

(d) Use of estimates and judgments

The preparation of the financial statements in conformity with IFRS for SMEs, management of the Commission is required to make judgments, estimates and assumptions that affect the application policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on-going basis.

Revisions to accounting estimates are recognized in the period in which estimates are revised and in any future periods affected.

Judgments made by management in the application of IFRS for SMEs that have significant effects on the financial statements and estimates are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

Notes to and Forming Part of the Financial Statements *(Cont'd)*

For the Financial Year Ended 31 July 2019

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by the Commission.

(a) Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose cash flow statement, cash and cash equivalents comprise cash on hand and cash at bank.

(b) Foreign currency

Foreign currency transactions are translated to Fijian currency at rates of exchange ruling at the dates of the transactions. Amounts receivable and payable in foreign currencies are converted to Fijian currency at the rates of exchange ruling at balance date. All exchange gains or losses whether unrealized are included in the income statement.

(c) Deferred income

Government grant in aid and assets acquired at no cost to the Commission are capitalised and systematically recognised as other income on the basis of the expected lives of the assets to which the grant relates.

Grants received before the revenue recognition criteria are satisfied, are recognised as a liability.

(d) Government grant

The Commission receives operating grant from the Government. Operating grants that compensate the Commission for expenses incurred are recognised as revenue in the income statement on a systematic basis in the same period in which the expenses are incurred. Operating grants that are used to compensate the cost of an asset are recognised in the income statement as revenue on a systematic basis over the useful life of the assets.

The Commission also receives sporting grant from the Government. The sporting grants are disbursed by the Commission to various sporting organisation and agency for overseas tours, sports scholarships, and engagement of short term experts and hosting of international tournaments.

Furthermore, the Commission receives international coaches grant from the Government which is utilised to pay the salary and other benefits for the full time international engaged by various sporting organisation.

The Commission also receives United Nations Office on Sport for Development and Peace grant (UNOSDP) funded by the Ministry of Foreign Affairs of the Republic of Korea given on the existence for the development of a Manual which would assist in the facilitation of physical activities for our disabled and special needs person in Special Schools and Inclusive mainstream schools. This would create sporting participation opportunities for children with special needs in a FUN, SAFE and CREATIVE environment; provide children with life skills through sport participation and to develop and expand parents, coaches and administrators' understanding of the educational value of sport.

(e) Income tax

Income of the Commission is exempt from income tax in accordance with Section 17(24) of the Income Tax Act.

Notes to and Forming Part of the Financial Statements *(Cont'd)*

For the Financial Year Ended 31 July 2019

3. SIGNIFICANT ACCOUNTING POLICIES *(Cont'd)*

(f) Sponsorship Equipment

Sponsorship equipment received from JR White started since the inception of FNSC in 2013. FNSC's strategic goals include the encouragement of physical activity through sports for the people of the nation. The purpose of donating sports equipment which is sponsored through JR White is to give communities the opportunity to learn, practice and enjoy physical activity on their own with access to proper sports equipment. The recipients of the sports equipment are village heads, clubs, schools and communities where FNSC carries out its Sports Outreach and Train the Trainer Programs. The donation is carried out by FNSC after the completion of a program in a community. FNSC usually take different types of sports to communities for the programs and donation is done once the sports and the basics of the sports are introduced to the communities. The Commission donate equipment for those sports for the people to carry on playing those sports. The equipment's is used by the members of the community such as the Women's club, Men's and children's club, schools, inclusive where a village representative signs the donation forms. The equipment is also used for community or clubs organized tournaments which usually FNSC is invited to be a part of.

(g) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss. Cost includes expenditure that is directly attributable to the acquisition and installation of the items. Property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives using the following rates:

Computer Equipment	20%
Furniture and Fittings	20%
Motor Vehicles	20%

Profits and losses on disposal of property, plant and equipment are taken into account in determining the results for the period.

(h) Employee entitlement

Annual leave

The liability for annual leave is recognized in the provision for employee entitlement. Liabilities for annual leave are expected to be settled within 12 months of the reporting date and are measured at their nominal values using the current remuneration rate which is expected to be applied at the time of settlement.

Long service leave

The Commission does not have any long service leave policy in place. All employee entitlement is expected to be used by employees within the fiscal year.

Wages and salaries

Liabilities for wages and salaries expected to be settled within 12 months of the reporting date are accrued up to the reporting date.

Defined contribution plans

Contributions to Fiji National Provident Fund (FNPF) by the Commission are expensed when incurred.

(i) Trade and other payables

Liabilities are recognized for amounts to be paid in the future for goods and services rendered. Creditors and accruals are stated at cost.

Notes to and Forming Part of the Financial Statements *(Cont'd)*

For the Financial Year Ended 31 July 2019

3. SIGNIFICANT ACCOUNTING POLICIES *(Cont'd)*

(i) Leased assets

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at inception date of whether the fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset.

Finance leases, which transfer to the Commission substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are reflected in income statement.

Subsequent to initial recognition, the asset is accounted for in accordance to the accounting policy applicable to that asset.

(j) Comparative

Where necessary, amounts relating to prior years have been re-classified to facilitate comparison and achieve consistency in disclosure with current financial year amounts.

(k) Value Added Tax (VAT)

All the revenue, expenses, assets and liabilities are recorded at VAT inclusive prices. This treatment is based on the advice provided by Fiji Revenue Customs Services on 31 January 2014. The reasons are as follows:

The Commission is basically providing funding and development of sports in Fiji and this is done through government grant funding. With such set up and with no taxable/business activities, the Commission is not registered for VAT. Any expenses incurred for which the Commission is charged VAT, the VAT portion will be cost to the Commission.

The Commission had seven motor vehicles as at the balance date. On 2nd November, 2018 one motor vehicle is leased by the Commission under ANZ non-cancellable finance lease agreements. The lease term is for two years until then the lease liabilities are effectively secured as the rights to the motor vehicle revert to the lessor in the event of default. The ownership of the leased vehicle is transferred to the Commission when the lease liability is fully paid off after two years.

The Commission entered into a finance lease agreement on 18/11/2018 amounting to \$30,293 with Australian and New Zealand Banking Group Limited (ANZ) to finance the purchase of the Commission's motor vehicle. The lease term is for two years until then the lease liabilities are effectively secured as the rights to the motor vehicle revert to the lessor in the event of default.

17. FINANCE LEASE COMMITMENTS

To meet the transportation needs the Commission entered into a finance lease agreement with Australian and New Zealand Banking Group Limited. Even though these obligations are not recognized on the statement of financial position, they do contain credit risk and are therefore part of the overall risk of the Commission.

The total finance lease commitments are as follows:

Later than one year but not later than two years	3,786	-
Later than two years but not later than three years	-	-
	18,932	-

The leases typically run for a period of two years. The annual interest payment recognized as an expense in the income statement amounts to \$527.

18. OPERATING LEASE COMMITMENTS

The Commission rents two offices under operating leases. The leases are for an average period of five years with fixed rentals over same period.

Minimum lease payments under operating leases recognised as an expense during the year	12,379	11,137
--	--------	--------

At the year-end the Commission has outstanding commitments under non-cancellable operating leases that fall due as follows:

Not later than one year	12,379	11,450
Later than one year but not later than two years	32,000	14,087
Later than two year but not later than five years	48,000	-
	92,379	25,537

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Commission's activities expose it to financial risks. The Commission is basically providing funding to National Sporting Bodies for the development of sports in Fiji and this is done through government grant received. The operation of the Fiji National Sports Commission depends on the grants received from the Government.

The Commission is exposed to credit risk. The Commission entered into a finance lease agreement with Australian and New Zealand Banking Group Limited. Even though these obligations are not recognized on the statement of financial position, they do contain credit risk and are therefore part of the overall risk of the Commission

Risk is inherent in the Commission's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. The independent risk control process does not include business risks such as changes in the environment, technology and industry. They are monitored through the Commission's strategic planning process.

Notes to and Forming Part of the Financial Statements *(Cont'd)*

For the Financial Year Ended 31 July 2019

(a) Market risk

Market risk does not apply to the Commission since it is not involved in trading activities.

(i). Political climate

The Commission operates in Fiji and changes to governments, policies affect economic situation and ultimately the grant income of the Commission.

(ii) Interest rate risk

At the reporting date the Commission did not have any interest-bearing financial instruments.

20. EVENTS SUBSEQUENT TO BALANCE DATE

The COVID-19 virus had substantial effect on the programs and grants of Fiji National Sports Commission. All sports development programs in the 3rd and 4th quarter of the Financial Year, August 2019 to July 2020, were cancelled. Similarly, all overseas sports tours programs were postponed indefinitely during this period since overseas travel was restricted in many countries including Fiji. Also, all hosting of international tournaments were cancelled to prevent gatherings. Hosting funds released to National Sports Organisations were requested to be refunded. Thus, the Hosting of International Tournament grants funds requested to the Ministry of Economy for the 3rd and 4th quarter of the Financial Year; August 2019 to July 2020 was declined to Fiji National Sports Commission. No grant funding under any type of grant allocation was released during this period. Some qualification events for the Olympics have been cancelled because of the outbreak and qualification tournament has changed its venues meaning additional preparation costs. The cancellation of several other sporting tournaments is preventing changes to the world ranking of athletes, and this determines their qualification to compete at the Olympics.

21. PRINCIPAL ACTIVITIES

The principal activity of the Commission is to guide and enhance the delivery of sports programmes in Fiji through a coordinated approach at all levels of participation by government statutory bodies and the community and to ensure the development of sports in Fiji. The Commission was established under the Fiji National Sports Commission Decree No. 5 of 2013.
